The anniversary meeting had been well announced in every town and village where the
Salvation Army Flag
was flying all round the Dominion, so that we could scarcely expect anything less than an eager anticipating crowd.
About 10 o'clock
the various contingents from different parts of the Dominion began to arrive at the Depot and marched with
BANDS PLAYING
AND
COLOURS WAVING

to Richmond St. Barracks, where a united prayer meeting was being carried on by Staff Capt. Eastwood A. D. C.
After a good time of prayer and much blessing the troops are soon on their way headed by bands and Mr. Gooderham's carriage containing Mr. Gooderham himself and Mr. Braithe, the Commissioner and Mrs. Coombs, marching down Queen St. and sweeping up James St. they soon reached the spot to be dedicated. Some of the troops had already reached the ground, others came marching in column after column, until the vast expanse of ground was a living sea of Soldiers in uniform, with flags and banners, also spectators almost innumerable, presenting a sight quite indescribable. None but spectators could scarcely form any idea of this wonderful gathering.
A platform which had been erected for the occasion was occupied by the Commissioner and Mrs. Coombs, Mr. Gooderham, and Mr. Braithe, Staff-Captain Wass, D. O. Staff Captain Eastwood A. D. C. Staff Captain Madden D. O. Staff Captain Inman D. O., from the States, Captains Glover, Smith, and Manton of Headquarters and the Officers of the Dominion.
The meeting began with singing and prayer. Mr. Braithe Missionary from London, England the Daily portion from the Soldiers' Guide and expressed his sympathy with and bvt for the Salvation Army, saying how he had proved its value, and success in winning the masses, and, expressed great confidence in both the Salvation Army and its leaders, as an outsider.
Mr. W. Gooderham of Toronto, at some length expressed his love for, and sympathy with the Salvation Army. He said he had proved by his own experience the practical good that the Army had been the means of doing in Toronto, and other parts of the Dominion, in the hearts and homes of the people, and the authorities had begun to prove this.
He also pleaded nobly for financial help to extend this work remarking that he believed in practical sympathy. There were such a lot of people ever ready to sympathize, but not with the right kind of sympathy; Practical sympathy. He himself sympathizes practically and would be only too glad to double his donation.
The last remark brought forth tremendous volleys.
Major Coombs here explained the idea of the meeting, pointed out the extent of the land and gave the prospectus of the building &c.
The land has been secured for \$7,600 and the building to be erected, was to cost \$15,000 making a total of \$22,600 and he hoped they would be able to open the building at its completion, free of debt.
The building to be erected is a Great Central Temple and Headquarters.

The Temple where thousands shall be Born Again for the kingdom and the Headquarters for the benefit of the whole Dominion.
He asked for a collection towards these buildings, and, though the crowd was tremendous, and only with great difficulty the collectors could get round, the offering was a very liberal one.
One special feature of this meeting was, **The Bringing in of the Gifts.**
The Officers each bringing forward the gifts from their various Corps made up in small Red Bags and placing them on the table.
The meeting ended with the presentation of the land to God, for His own glory, prayer being offered by Mrs. Coombs, Staff Captain Eastwood A. D. C., Staff Captain Inman D. O., and the Commissioner, every heart saying, Amen., to the dedication.
The troops here marshalled, and marched back for refreshments, that had been provided at the St. Andrews Hall.
The Hallelujah Wedding.
Long before the time announced for the wedding, the Richmond St. Barracks was packed to excess, and it was with very great difficulty that the Major, the minister, and the bride and bridegroom could get to the platform.
It had been a secret up to the present, who the happy couple might be.
The happy couple proved to be,
STAFF CAPTAIN WASS D. O.
and
CAPTAIN THERESA HALL.
from London.
Tremendous volleys greeted them as they rose. The major then asked the questions according to the marriage service of the

NEARLY 2000 IN THE RANKS,
with this tremendous column they marched down Brock along King street and Yonge street, and back by Queen and Esther street.
It would be impossible to describe this procession. Crowds of spectators on the line of march. Traffic stopped.
It surely must have proved to the public that God was in their midst.
Passing up and down the ranks their could scarcely be seen one not bearing some token of their being connected with the Salvation Army.
This was the most wonderful part of the day, and was a great success.
THE MARRIAGE SUPPER.
After the great parade a monster marriage supper was partaken of by between 3000 and 4000 people.
This number undoubtedly took not a little providing for and much attention, but thanks to the good arrangements of Staff Captain Madden and his assistants things passed off comfortably, every body seemingly satisfied.
THE GREAT DEMONSTRATION
in the Pavilion at the Horticultural Gardens was an equal success with any meeting of the day.
Troops marshalled again at Richmond street Barracks, and marched in great torchlight procession down to the Gardens by the way of Queen, Yonge and Gerrard streets.
When they got to the gates it was only with great difficulty they were able to get admission.
Although there was a charge to come into the gates, the great pavilion was jammed to

In addition to these, they are now occupied as Outposts 146 villages in the United Kingdom. In 34 villages regular Corps have been formed; 100 other villages are occasionally visited.
There are also 444 Corps of children, holding 939 meetings per week, with an attendance of 41,689.
We use 846 buildings in the United Kingdom, of which 46 are Theatres, and of these all but 11 are entirely used by us; 9 Circuses, 18 Skating Rinks, 23 Music Halls, 10 Drill Halls, 12 Maltheuses, 3 Breweries, 126 Public Houses, 34 Temperance Halls.
Sitting accommodation in the United Kingdom, 560,000; abroad, estimated, 1,200,000; total, 1,760,000. We calculate that 1,500,000 use these buildings at home, and 500,000 abroad weekly.

KEEP HUMBLE.
Sergeants, Soldiers, Recruits, take the advice! Oh, that it were written in letters of fire, your success in saving souls, in getting hold of the hearts of your comrades, in managing your outpost detachment, and your spiritual power all hangs upon this loose your Humility, and you are shorn of your strength.
The question is often asked: How is it I have not the power and freedom I had when I was first converted? Methinks the secret is all here, Humility gone. You look back upon your past experience, and remember the feelings you had when you were first saved, and look at them now! what a change. Then you were filled with a childlike spirit, you sat at your Redeemers feet only to hear His command to get to know what he wanted you to do, and then gladly your feet ran to do His bidding, at the word of command from your Officers, how gladly you would go to the Outpost, or with the War Cry Brigade, or be door-keeper, in fact, you had the spirit within you that enabled you to do anything to push forward the war.
Then God blest you! Then He gave you Souls! Then, you had joy in His service! and served Him with gladness. Will every soldier just look and try and see the spot where they first went off the Humanity path. Perhaps it was when some one told you how well you spoke, or how well you sung, or they like you to visit the outpost better than the Officer, or anyone else, or perhaps he got you off the path by telling you that you ought to be considered as you had done so much for the Army, and alas! you thought so, and like many others your strength was gone, and to-day, instead of being the unshaken, humble, devoted, desperate soldier, you are of very little use to God and the Army, and a burden to yourself, and may be just on the point of
GOING RIGHT BACK INTO THE WORLD.
Stop! Examine your heart. Remember Galvary, lay you poor, weary, proud soul at His Blessed feet, tell your Lord all about your difficulty and back-sliding, unburden your troubled heart to Him, and as you kneel and plead, and pray, and believe, the childlike spirit shall return, and you shall rise
FROM YOUR KNEES

Army. The Rev Mr. Bowdell of Belleville, performing the legal part of the ceremony.
After which Staff Captain and Mrs. Wass spoke, both testifying that what they had done was for Gods Glory, and they only intended to seek to extend his kingdom.
The Great Parade.
The troops were marshalled for the great parade immediately after the wedding ceremony was finished.
The order of the procession was as follows.—Staff Captain Inman D. O. and Captain Ludgate on a pair of Greys, led the way followed up by Hamilton Band, and ranks of Soldiers intermixed with drums. Then came the Toronto band followed by Captain Smith Headquarters, Staff, on a Grey, in Indian uniform, and the war chariot occupied by the Major, Mrs. Coombs, and the bride and bridegroom, Staff Captain and Mrs. Wass, supported by Staff Captain Eastwood, A. D. C., on the one side and Circus Sam. (Lieut. Creech) on the other on two more Greys.
Then came the Timbrel band followed up by the Officers war chariots and lots of other music and ranks of Soldiers bringing up the rear. Lots of flags and banners all along the lines of troops.

excess, hundreds rather thousands having to remain outside.
The meeting opened as usual by singing and prayer. The Major then explained the object of the meeting leaving particulars till later on in the meeting.
Staff Captain Inman, D. O., from Allegheny City, gave a stirring account of how God was dealing with the States.
Mr. Gooderham again spoke at some length on the good work of the Army and his sympathy with it. He urged those present to help the work onward and above all get right themselves.
Staff Captain Wass, D. O., gave an account of how the work had progressed from the beginning. How he had stood alone first in Toronto and how the work had gradually developed and succeeded up to its present state.
The Major then explained at length the rise and progress of the Salvation Army and its modes and gave the following statistics as to its present field state.
The statistics below are given more fully than the Major had time to give. We print them in full for the information and benefit of the troops and public. Editor.
The Salvation Army is now extended over eighteen Countries and Colonies, where its increases during the past fifteen months

We have increased the sitting accommodation in London Eng. by 28,000 in the last two years. Just opened 38th Barracks in London.
Thirteen languages are used in the meetings.
We hold over 8107 meetings per week indoors, and 7000 outdoors; over 15,000 meetings every week, reaching at least 10,000,000 people.
The returns show that over 150,000 people have come out to the penitent-form to seek mercy during last year.
FUNDS.—The revenue for the year shows increases in every respect. The total of money raised by the Corps in the United Kingdom and spent locally by their Corps Officers is \$900,000. Received at Headquarters in the Trade Departments about \$360,000, and in the Central Funds (including loans) of the Army \$350,000. Income aboard \$359,000. Grand total, \$1,969,000.
Of this some \$450,000 have been expended during the year in the acquisition of property in various parts of the world. There has also been contributed to our meeting recently in England nearly \$70,000.
The Army has thus become one of the largest, if not the largest, Missionary Society in the world, with an income almost entirely derived from those who have

benefited by its ministrations.
The total of donations received at Headquarters, from outside The Army, was only \$160,000 as shown by the annual audited balance-sheet.
Only the very small amount contributed by the outside public and the vast demands for the extension of operations at home and abroad explain the extreme straitsness constantly felt at Headquarters.
Several gentlemen are now forming a building company for the purpose of lending money to The Army on buildings to be erected in various parts of the country.
There are now sixteen different "War Cry," with the united circulation of over half-a-million weekly, beside other periodicals. The entire profits of these papers, and the publications add goods of The Army, go towards the support of the work, \$40,000 having been received in this form last year—a sum considerably more than sufficient to meet the entire expenses connected with the Headquarters.
Amongst the publications of the last twelve months have been a reprint of the last ten years' balance sheets: "The Soldier's Guide," containing Scripture reading for every morning, noon, and night; "Life and Death," by Mrs. Booth; "The Salvation Army in Switzerland," by Mrs. Josephine Butler.
We have now a German Corps in London, out of which we hope to get Officers for an attack upon Germany before another year is over.
Work among the Maories was commenced at New Plymouth, New Zealand in March. The Chinese were attacked in San Francisco, and in Victoria, Australia simultaneously in March.
OFFICERS.—The care with which Officers are chosen may be indicated by the fact that during the past twelve months no less than 2990 have offered themselves.
Those, who, after carefully enquiry at their home, of their employers and others, (Continued on first column of Page 2.)

(Continued from Page 1.)
as well as of the Officers of their Corps, are considered suitable, are taken in to the Training Barracks at Clapton, London, Eng., where, during the last two years, no less than 1,180 have been trained.

CANADA.

There are now 62 Corps, 35 Outposts and 175 Officers. Increases are as follows:—
Aug. '83. May '84. Aug. '30.
Corps.... 9 41 62
Officers.. 20 120 175
These statistics were received with shouts of joy from the Soldiers, and with great surprise by the people, as there had been a rumor running round that the Salvation Army was going down, as it continues to do.

Mrs. Wass then spoke and was followed up by the Officers just arrived from England. Staff Captain Eastwood, A.D.C., Captains Holtham, Sydney, Banks and Phillips, who expressed their mission as being only for God's glory and that that mission should be carried out to the letter whatever it might cost. These Officers had a real Canadian welcome, being received with the warmest enthusiasm.

With songs of praise and prayers of thanks the meeting closed, and the troops back for a little rations and then marched to the all night of prayer.

GRAND ALL NIGHT.

It would fail one to give a true description of this wonderful meeting, and wonderful, scarcely seems the name to give it, anyhow; it requires

Wonderful Twice Over.

What a crowd of Soldiers! the question arises, where can we put them?

Crowd Them In;

they soon come along, until the Barracks is crammed, when we enter; the place is full to overflowing with nearly

2000 SALVATIONISTS

and friends, a look into their faces will tell you that they are in

REAL EARNEST.

and intend, to get some definite blessing before they leave, and as the first song is struck up, at twelve o'clock, and the

2000 VOICES

pour in the song, the mighty power of God enters upon the crowd. A few words of advice from the Major, and the whole crowd is down before God;

No Room to Kneel;

order given, kneel in your heart, and as the petition goes up, the whole crowd seem lifted up to the throne, and as the Salvation songs sound forth on our knees, the very God himself, came nigh.

MORE PRAYER, MORE PLEADING,

and then songs; and we are fairly into the meeting. The Major read Psalm 51, and made many home thrusts while so doing.

OH, WHAT A SHAKING UP,

and what revelations were made,

GOD HIMSELF WAS SPEAKING,

and as the whole host broke out in the chorus, Speak, Saviour, Speak, we knew God was very nigh indeed, we could feel the mighty power, and as it went through our body and soul, our very hearts melted and we had to exclaim,

LO, GOD IS HERE.

We wondered what Heaven must be if it was so grand to be in the S. A. Barracks. But all did not seem to be enjoying the mighty glorious visit of the Holy Ghost as we were, for as the Major asked us to sing again and again, "Speak, Saviour, Speak," and told those who really meant it to let God know it by putting up their hand, we could see the plough was going in

DEEPER AND DEEPER,

and dark hidden damnable idols were being revealed, and as they came to light caused pain, sing it again and again, was the command, which was obeyed by the crowd, and as each time the chorus was sung fresh power fell it seemed as if all Heaven had come down in the very place. A few testimonies were here given from some comrades, and

STAFF CAPTAIN EASTWOOD, A.D.C.,

and as the Major rose to give the invitation it was easy to see the crowd were ready for it, no room for penitent form, any body wanting salvation must rise and stand, and oh, what a number rose and dealt with God face to face, many an Isaac slain, many a doubter made into a believer, and as the wrestling and pleadings went on the mighty deliverer came near and soul after soul found full salvation until nearly

300 HAD OBTAINED WHAT THEY SOUGHT.

Some who were not satisfied still remained standing and the Soldiers still went on pleading and

GOD HIMSELF GAVE SPECIAL HELP

to these specially doubting ones who at last jumped into liberty; and all were ready for the grand testimony and wind up. Oh, what testimonies, one

A MINISTER,

who had disliked the Army and had not been backward at saying so in public and private rose and said how God had sanctified him in the meeting and thanked God he now loved the Army and praised Him for the privilege of seeing these hard of people as they dealt face to face with their God. Many other interesting testimonies were given, and as the parting song was sung and the meeting

BROUGHT TO A CLOSE,

we went away giving God the glory that they had been allowed to be there

Hasten, Sinner, Hasten.

At a meeting a few days ago at La Chaux de Fonds, Captain Fur-

rer gave a girl ten minutes to give herself to Jesus in, as the meeting had to close at ten o'clock p.m. The girl put it off, or refused. The Captain warned her that on her death-bed she might not have ten minutes to make up her mind in. Three days afterwards she dropped dead of heart-disease while ascending the stairs of her own house. What an awful warning for those who put off their Salvation from day to day! It is the third case of the same kind that has occurred in that village within three weeks.

FAITH HEALING.

Dear General,—I have the pleasure of sending you a few cases of the wonderful power of God in Healing. The first is a case of rheumatism. Brother Jack, who had been suffering for a long time, and was not able to sit in our meeting without taking off his shoes, and used to walk lame, and had to be supported with a walking stick, and also had to rest many times while walking along the street, was not able to march with us; but hearing me speak of the power of God to heal, after the meeting was over, asked me to pray for him. This was on the 13 of August last. I told him I would, but before he could reach home he called in at another Soldier's house, and the Soldier and his wife and he prayed and believed, and all at once he cried out, "The pain is gone; it is done!" and rose and danced round the house. Now he walks through the streets like a young man, and in the march.

Case of Bad Eyes.

Mrs. M., well known in the town for her sin and drunkenness and misery, was sunk so low that she was an outcast of the devil. Hearing that The Salvation Army was come to the town, she with others came to hear and see those curious people; but the Butter Market being so overcrowded she was often turned away. However, like the woman with the issue of blood, she at last passed through the crowd and fell at the Saviour's feet and got properly saved. Some time after she caught cold in her eyes, which resulted in a cataract growing over her left eye, so that she could only discern light from darkness. She was attended by two doctors, but grew worse, so that the other eye was affected and the pain became intense. The day I visited she had been sitting by the fire holding her head, being in such pain that she was not able to do her household duties. After a little conversation I said, "We will ask the Lord about it." Meanwhile the pain left her. While saying to her, "Can you believe that Jesus can heal your eyes?" "Yes," she said, "He can do all things." So the Lord said to me, "Tell her to go to a certain spring and wash seven times, and she shall be healed, and the first time she washes the cataract shall break and go back and dry up," and she did, and when she was returning she felt it break, and according to the Word of God, she has

Two Bright Eyes as a Child.

All who doubt this go to No. 1, High Church Lane, Kilmarnock, or to the Salvation Army Barracks at night. More wonderful cases to follow.

CAPT. A. HAYWARD.

ARREST OF MISS EVA BOOTH.

Between two and three o'clock Wednesday afternoon a detachment of The Salvation Army, composed of females Cadets from the Young Woman's Training Home, marched out as a bombarding party, under the command of Miss Eva Booth, and took up their position on the triangle, Mare Street, Hackney, where the Salvationists have held their meetings from time immemorial without any interference.

Shortly after they had commenced, a constable of the N. Division, who was on duty at that point, convinced an idea that an

obstruction would result if the meeting was allowed to proceed, and made a summary request that Miss Booth would at once break up the meeting, informing her that the Salvation Army had no business there. Miss Booth replied, "Oh, yes! they have, we have held hundreds of meetings here!"

The policeman then said, "You will not hold them any more," to which Miss Eva Booth replied, "Very well," and was preparing to give orders to march, when the Sergeant-Major, who had often attended meetings on the same spot of ground, remarked, "Oh, no! we have held meetings here many times before without being interfered with, whereupon the police-constable asked who was the leader of the meeting, and Miss Booth stepped forward declared herself to be. She was at once laid hold of by the arm, and dragged with much unnecessary force and violence to the Mare Street Police Station, a distance of over half a mile.

A tremendous crowd followed, and the excitement was so great that business in the immediate neighborhood was temporarily suspended, the great majority of the people, who are very friendly to The Salvation Army in this locality, sympathising with Miss Booth and expressing strong signs of disapproval at the violent way in which a young lady was being dragged along the streets.

The enthusiasm of the Cadets waxed to boiling point while Miss Booth and two of her assistants were in the police station; but the Inspector refused to admit the charge, they were soon dismissed, and at the head of a column of Salvation Soldiers, and a tremendous following of citizens, marched back in triumph to the Training Home, more ready than ever for another engagement.—*London Paper.*

A Thank-Offering.

(From the "Australian War Cry.")

During the progress of the meeting in the Town Hall on Tuesday evening, Major Barker made the gratifying announcement that he had received from one gentleman then present a donation of property to the value of between \$20,000 and \$25,000 for the purposes of The Army. This gentleman, who stated that he had been through all the churches, without finding peace, had found that peace and comfort to his soul at the Temperance Hall on Sunday week, and he was constrained to acknowledge the benefit he had derived from The Army ministrations. He had heard the Major speak about the collection, and he had thought to himself,

"Shall I Give This Property?"

and a voice seemed to say to him "Do it!" but he hesitated, and while he hesitated he found no peace. But on that Sunday he made his determination, came boldly forward, and found peace to his soul. On that occasion he had \$45 in his pocket, and had been sitting beside a converted pick-pocket, and as the Major spoke, he thought but for the man's conversion he would have had the notes, so he considered the Major was entitled to them, and handed them over. Hallelujah!

WALLACEBURG.

(34th Canadian.)

We can thank God again this week for victory. Though a little discouraged at first, we feel encouraged to be able to release 10 prisoners for the week. Hallelujah! Glory be to God alone.

Capt. MITCHELL

and Wife.

LONDON CITY.

(2nd Canadian.)

Praise God for mighty victory. Truly can say the Lord has been with us.

Our open air meetings on the Market Square have been attended by large crowds and with much power.

The shots fired have taken great effect, and many have had to surrender to the Lord.

Hallelujah!

The testimonies of the soldiers are but clear, and effective.

Meetings all day Sunday were well attended.

Sunday night a powerful time; 7 more out and found pardon.

To God be all the glory.

Capt. ALEX. MOORE

Cadet JAMES DICKSON

SEAFORTH.

(32nd Canadian.)

Another week of hard fighting, and can shout victory through the Blood. The devil has been trying much to upset the other night a stone was thrown struck one of the sisters, causing much other night. Great sensation.

Meetings good all the week. 11 meetings, powerful times.

God is going before, and we will sure of victory.

Capt.

The 2nd Anniversary of the Army work in Canada has just been Celebrated.

EVERY CANADIAN SOLDIER'S heart must rejoice at the two years of victory, and every tongue must sing songs of praises to God for His Goodness.

How the two years of fighting have proved that God has been with us from the very commencement to the present.

God has enabled us to sweep through the storms

OF UNFOUNDED SCANDLE AND SLANDER, much Criticism, Opposition and bitter persecution and to-day finds us on a

PINNACLE OF UNGAINSAYABLE SUCCESS in the face of what our wisest friends predicted would prove a

HASTY COLLAPSE a speedy downfall, and a sinking out of existence.

The figures at the great demonstration given in the PAVILION at the HORTICULTURAL GARDENS of the present field state of the Army in the Dominion are of

THEMSELVES CONVINCING PROOFS of the progress we have made, and even the meetings on the 1st must have undoubtedly called forth many blessings in the Lord's name from our friends and our critics, and enemies were undoubtedly, in the face of practical proofs

FORCED INTO THE ACKNOWLEDGMENT that their predictions were not true after all and were very far from coming to pass.

The unmistakable victories of blessing and success have only been gained by much

HOLY DEVOTION AND OBEDIENCE to the voice of God on the part of those who have only sought His glory.

What shall the next year be? What tidings of success shall our next Anniversary bring us?

Comrades it remains with us. Let us ask ourselves the question—What shall next year be? What will it mean to me?

It certainly means another year of desperate hard fighting.

Another year of greater devotion and zeal. Another year of ever ready, and willing obedience to the voice of God.

God wants men and women

WILLING TO SACRIFICE all for the one purpose of Christ, the one purpose of Calvary, the one purpose of the Salvation Army, and which should be the one purpose of every Soldier's heart, the Salvation of the world.

Men and women desperately in earnest to bring about this, so much so, that hell will feel it and shake at the thought of it being accomplished.

Men and women who will spill their last drop of blood rather than this should remain unaccomplished.

These are they that God delights in using.

Comrades, Are we such men? Are we such women?

Ought not our love to God to lead us to this standard. It must be, if God's purpose must be attained through men and women as mediums.

The next years success dear comrades, depends as Officers upon your devotion to the mission God has called you to amongst your Soldiers, upon your zeal and desperate earnestness in the work of your Station and especially soul saving.

As Soldiers, upon your lives at home, in the street, in your workshop, and upon your zeal to hold up your own Corps and save the people of your own town.

Officers, and Soldiers alike, Be Holy; Be zealous; Be desperate for the Kingdoms sake.

Such people God will honor and use. Let us look at these things in the face, praying that God will help us.

Faith in God and practical Holiness will bring us the success and victories we seek for our 3rd years fighting.

Wanted, to 10,000 desperate dare devil men and women to help save the Dominion.

STAFF CAPT. EASTWOOD, A.D.C.

OUTPOSTS.

Capt. Smith and Wife, with Capt. Cape, Cadet Lyons, and soldiers from Parkdale, on Sunday the 21st Sept. last, re-opened fire on the Village of Carleton, determined to win the same for the great Captain of Salvation, and bring the people to His feet.

The enemy appeared at first not in large numbers, yet with all the soldiers kept up a brisk fire, all going in for the whole armour of Righteousness and Blood and Fire ammunition, that they might conquer in the night.

This great Captain. After several sorties into the enemy's outposts, they returned and found the enemy in great force, when a desperate struggle commenced, and red hot gospel shot having been poured and tearing among them, they retired, carrying their many wounded off with them. One poor boy was killed in the morning.

CEDAR DALE

(From a Local Paper.)

The spiritual wants of our enterprising suburb are looked after by the Salvation Army. They appeared on the streets of Cedar Dale last Sunday, beating a drum and kneeling in the dust alternately, which is called "driving out the devil."

On Sunday last the Salvation Army finally adjourned to the Cedar Dale Hall and kept their meeting up until midnight. The Hall was densely packed, and some eleven ladies received the "power" and fell prostrate, and so remained for many minutes, some as long as half an hour. The citizens of the village earnestly hope that the "devil" will be driven out, before cold weather comes on, for then it will be inconvenient to pursue the same process to drive the "devil" out of the night, remain until next season.

FLAMBORA.

(From a Local Paper.)

Look! look! see here they come. No, it's not them. Will here they come now

sure! Hark! I hear the drum. Ah! ah! did you ever get left? It isn't them this time.

Bah! It's all a fraud, they are not coming out here, we are all fooled nicely for sure. So ran the topic of the lads and lassies of this quiet little village the other night, when just as it got to its height, up comes our war chariot, well loaded with guns, small and great, all ready charged, caps on, and ready to fire; and so we did fire, right into the enemies ranks, and have been firing ever since. 5 killed, many wounded. We have a good field to labor in here, but our laborers are few. Pray ye therefore the Lord of the harvest to send forth more, while our comrades seek them at Flambora. (Ed.)

Cadet NEW, for Capt. JACK ADDIE.

HESPELER.

(PRESTON OUTPOST.)

Victory through the blood of Jesus. We praise God for another week of victory. Although the people here seem to close their ears, and harden their hearts against our Jesus, yet we are determined to fight on, for when God is with us who can be against us soldiers going in for Holiness, with Holy living. We mean to bring the sinners of Hespeler to the bleeding feet of Jesus. We closed the week with 2 precious souls, and believing for more. Comrades, remember Hespeler in your prayers.

Lieut. GORDON for Capt. COWAN.

OMEMEE.

(LINDSAY OUTPOST.)

Glory Hallelujah! Devil licked again. The devil rages in this place, but we are looking forward to a big time, when we shall see all the people of Omemee down at the feet of Christ. Wednesday night we had a powerful meeting, and one poor drunkard fell down at the foot of the Cross, and just like Jesus, he washed all his sins away, and sent him on his way rejoicing. Praise God for ever.

Cadet HAPPY JIM, for Capt. GLORY TOM, and the YORKSHIRE PLASTERER.

BATH.

(KINGSTON OUTPOST.)

We have had grand meetings all week. Soldiers all fired up and testify that they were never so happy before. On Sunday one young man who had been resisting the striving of the Spirit, could not stay away any longer, came and fell at Jesus feet, and got pardon, Hallelujah!

Lieut. WILLIAMS.

WYOMING.

War! War! War!

Battle raging in this place. Getting fiercer and hotter every day, but praise God victory is ours, having during the past week completely routed the enemy. We can truly say the past week has been the best we have had yet. Holiness meeting Friday simply wonderful, 7 out for perfect cleansing. Saturday night tried the devil by judge and jury, barracks full to see what we were going to do, soldiers full of fire, anxious to witness against the devil, and they did it in grand style, as soon as they had this opportunity. We found him guilty of everything that was mean and contemptible, and the evidence was so direct and positive, that the old scoundrel did not even put in a defence, but had to sit, and take our abuse. At the close of meeting, two of his subjects becoming disgusted with his treatment, deserted his ranks, and enlisted under the blood stained banner of King Jesus. Words fail to describe Sunday, the old Jerusalem fire blazing up wonderfully, splendid marches, fifty in line, with red and blue gurnseys and tambourines. Devil driving meetings, afternoon two souls, night three, making for the week seven, Hallelujah.

Lieut. Happy Fred, The 2 devil drivers. Cadet Shouting Harry.

OTTERVILLE.

(NORWICH OUTPOST.)

When we Officers of Norwich, with Capt. Manton, got off the train on Thursday, we took the devil by surprise, and at night we got the Town Hall, had a grand meeting, 1 soul tumbled in the fountain, Glory Hallelujah.

And Great Conviction Saturday and Sunday 2 souls was saved, making three for the week.

London Division—Continued

SIMCOE.

(49th Canadian.)

We have been proving during the last few days, that Jesus is strong to deliver, mighty to save. Though the fighting has been hard, we have had 6 prisoners. One of our converts told us the other night, how near he had been to a drunkard's grave when the Army came to Simcoe, but God had saved him.

We are going on, Glory Hallelujah! Simcoe for Jesus

Lieut. ARMSTRONG, for Capt. AGGIE COWAN.

Toronto Division.

Lippincott St., Toronto

We are going forward in the Kings strength. The Hallelujah lasses will be ready when he comes. Thank God we are helping to get others ready all the time. Mighty and powerful Roll call. Waves of power rolled over us and God came very near next night in open air devil raged, but God set some drunkards free. Hallelujah! Our Soldiers are all on fire and not afraid to rejoice in whatever they see it. We go forward

Capt. RUSSELL, Cadet MOYER.

PARKDALE.

(54th Canadian.)

Hard fighting. All hell seems against us and so it is. Sinners tremble in the seats and we intend they shall keep on trembling until they get converted.

We keep on praying and believing and victory is coming. Thank God for some real dare devil Soldiers. We shall win.

Capt. CAPE, Cadet LYONS.

PRESTON.

36th Canadian.

Desperate fighting. Enemy at work in a mighty way. But Glory to God Jesus is with us out in the Holiness meeting. 20 came and got full Salvation. We closed the week with 2 prisoners captured.

Capt. NELLIE COWAN.

DUNDAS.

(13th Canadian.)

Thank God we are getting what we want here, and that is more power and the devil knows it, and we intend the world shall feel our influence, thank God we have the victory all the way. Two prisoners this week. Hallelujah!

Capt. ADDIE.

Welland Banquet.

(37th Canadian.)

Great rejoicing and powerful Jubilee. Promise of glorious future.

As we rush through the country and look upon the crowds of sinners going down to hell heedless and indifferent about their souls salvation and sneering at the very sight of our uniform. It makes ones heart sad, on they rush no thought of eternity taking a crowd with them down, down, down, one can feel something of what the prophet did when he cried, oh, that my head were waters. But one thing cheers us, God has raised up in the glorious Army a band of Soldiers whose duty is to stand and shout danger as they go, and in all weathers are not afraid to go out and face the foe, and Hallelujah in Welland we have a glorious band of such Soldiers. Abounding with sin as the place does God has had a chance to show forth his saving power and at the glorious Banquet a whole crowd of the vilest are rejoicing together. Kind hearts have given the Banquet, hungry, happy Soldiers have enjoyed it and we are into a glorious Salvation free and easy in the Methodist church. Oh, what burning testimonies and Salvation songs. God in power came near and as these saved men and the lasses spoke many a heart was moved and while the Officers brought down the truth hammer, conviction seized the people and many went away under deep conviction, although no one came forward at the meeting we believe fruit shall be seen. Welland Soldiers go forward, help your Officers more than ever, go in to defeat the devil at every step. More Holiness and hard desperate fighting will tell upon the hearts of these hardened sinners, and crowds of them shall swell our ranks forward, quick march. Reckoning day is coming.

RIVERSIDE.

5th. TORONTO.

(46th Canadian.)

We do praise God for the work He is doing in this place, although at times the devil does rage, yet we know that trusting in Jesus we are bound to win. This past week has been a week of rejoicing to each one of us. 25 precious souls wept their way to the foot of the cross. On Sunday last we had a glorious day, 17 souls professed to find Jesus to the joy of their hearts. One lad when giving his experience said he had been using tobacco for 10 years steady, but since he gave his heart to God he found it was wrong, and a dirty habit, and gave it up. Now he says I can serve God with a clean mouth, as well as a clean heart. Another brother when giving his experience, said, he used to profess infidelity, but at the same time as we would go to talk to him he said he believed right down in his heart there was a God, yet he just liked to argue, he said he sat and listened to the testimonies as long as he could, till at last he came right out, and praises God because he got gloriously saved, and is now on the platform speaking for Jesus. He told the people he never thought their was a reality in serving God; but now he says it is the happiest time of his life since he gave God his heart. Last night was our Roll call and we did feel God's presence all through the meeting. 4 sinners wanted to come in, we led them in, and bless the Lord they got down on their knees, and God did save them there and then. We believe their is going to be a smash up in the devils camp before long. Pray for us.

Capt. Eva Lewis, Lieut. Carrie Palmer, Cadet Mary Risdon, (Death and Glory Girls.)

THOROLD.

(24th Canadian.)

We are marching on in the strength of God. Jesus is our Captain and He is leading us on to victory. We had an exciting time yesterday.

Jesus Calling, Holy Ghost Working, Sinners Trembling, Soldiers Praying, Officers Weeping.

Sinners all broke up and weeping as we told the sufferings our blessed Jesus, almost persuaded to come and give their hearts to Him. Lord turn the almost to altogether. Amen

Infidels are changing their opinions and are wishing they could experience just what we do. Glory to God we shall win.

Capt. LOUIE COWAN, No surrender lasses. Cadet NELLIE LOW.

GUELPH.

(26th Canadian.)

This week has been a week of victory. Praise the Lord. Meetings good all week. Soldiers going in for more holiness and prayer. Friday night Holiness meeting good. Sunday good meetings all day.

In the afternoon the Lord was speaking to the people as he passed by and two yielded to Him and bless his dear name he set them free. At the night meeting the place was full and the people were spell bound as we told of the Saviour's dying soul and his willingness to set poor sinners free and at the close one dear lad came and gave himself to Jesus. Glory to God. Victory through the Blood of the Lamb.

Capt. CHURCHILL, Lieut. KITCHING, Cadet DEMPSTER.

TORONTO.

(1st Canadian.)

After farewelling in Kingston we came here. Three lasses determined to do what we could to bring down the devils kingdom. We got a hearty welcome from the Soldiers, a real Blood and Fire lot, who seem ready to do anything that souls may be saved. Although the enemy has a strong hold on this city, with God's help many have been converted and we are trusting that many more are coming. The Lord has been with us all the time. As one and another got up to tell what had been done for them, we could see conviction on the people faces. One brother said he had got rich by joining the Army, where the hotels keepers used to wear the clothes he should have had, and the landlady diamond rings, &c., and his own wife in poverty and the poor children with bare feet and starving. But now praise God I'm saved, wife and all are happy, with plenty to eat and wear. This is what Salvation does for a man. Oh! if you have not got it now is the time, Jesus is waiting ready to receive all who will come. Sunday meetings real good, crowds of people. As we looked on the mass and thought, at the judgement bar how will they appear, there will be many a pale face, many a cry their for forgiveness, but awful will be the answer, too late, too late, Jesus of Nazareth has passed by. But He enters all to come now while He is passing. Oh! will you heed the warning. We can praise God that in ten days twenty-six have come to Christ. Glory to God forever.

Capt. GILROY, Lieut. LANGTRY, Cadet HUNTER.

BRANTFORD.

(47th Canadian.)

Sinners escape hell fire. Come to Jesus while you may. To-morrow it may be too late. Not to-night is the cry of all the sinners in Brantford. Don't let it be your cry. The Lord is working in a wonderful and mysterious way, professing Christians are getting their eyes open and are going in for holy living. Sinners come to our meetings and while they are sitting listening about dark Calvary tears run down their faces, but, still they resist the spirit and put it off and off, they will keep putting it off until it will be too late. Soldiers going in for more holy living, they are getting bolder and are determined to fight everywhere. Sunday we went in for real desperate fighting. At night we got our guns loaded and the Lord helped us to aim them straight at the sinners, praise God they were many wounded, we believe great things will come from that meeting. Oh! it is nice to be fighting for Jesus: Three souls this week.

Capt. OBERT, Cadets LAING & CLOSE.

BRAMPTON.

(52 Canadian.)

VICTORY! VICTORY! VICTORY!

We are marching on to conquer, all before our God the world shall fall. Hallelujah! We are having rather a hard time here but we believe we shall get the victory. The devil has done his best to drive us out of the town, but thank God because we are fighting for a mighty King, one who has never lost a battle, and one who brings us off more than conquerors, bless His name forever. Conviction is written on their faces, but still they will not yield. God help us. More mighty prayer and faith in God will only bring these people to the bleeding feet of Jesus. Comrades pray for us. Yours in the fight

Capt. LEIDY, Lieuts. MACDONALD & MCCONKEY.

YORKVILLE.

(28rd Canadian.)

God is blessing us abundantly of late. We have not closed a meeting this past week without souls. Thursday night just as we had closed the meeting a gang man came to the door and asked for admittance he said he had left the meeting and had gone home but he could not rest so he had to come back and we all got on our knees and prayed for him, and it was not long before he was able to sing, "I do believe that Jesus saves me now." Sunday was a time of power. The Holiness meeting was a good one, four seeking the blessing in the afternoon. We had a march and open air among the (upper ten) quite a large crowd stood and listened to the story of the lowly Nazarene. Off to the barracks, where we had a grand Blood and Fire experience meeting with two souls. At night we met at seven for a prayer meeting, we had a real holy ghost time with the assurance that God was going to save in the meeting. We read about Namaan being cured of his leprosy and the Lord helped us to fire some burning truths right at the hearts of the respectable folks that came so often to our barracks and tell us they are good enough while their hearts are black with

sin. Then we had our babies speak who had been saved during the past week then a few earnest truths from others of the Soldiers and we into the prayer meeting, the first one to come was the wife that got saved in the afternoon then a young lad came, they both got through gloriously. After the meeting we formed into line for a open air march, about 70 in the ranks, we made a halt under an electric light lamp and for about fifteen minutes fired some heavy broadsides into the crowd that stood around. We feel sure that their was great good done through that open air meeting. We closed the weeks fighting with nine souls.

Capt. and Mrs. LUGATE, Cadet GRATTAN.

BARRIE DIVISION.

From a Laundry to a Mansion.

During the past week one of our sister comrades has been promoted to the country where the battle ceases, where the conflict is at an end. Her fighting here was short but

TERRIBLY DECISIVE.

Working in a Laundry three weeks this day she got her hand into the rollers, getting terribly crushed and burnt, and though the pain must have been great, she bore it with much patience. A dense cloud had hung over her for some time, but happily it was all removed the day before the accident. She went to the Holiness meeting on Sunday morning and testified to the saving power of God. She never met with us again after this. The Wednesday following the Sunday the Saviour called her and there is no doubt she answered to her name I come Lord Jesus. In the possibilities of that Holiness meeting she sealed her doom. Thank God it was her choice to obey the call just in time to pass away with a bright experience.

Comrades, don't keep anything from God, confess it and He will forgive you. Seek to live enjoying the smile of God and assurance

OF ETERNAL LIFE.

Capt. FRERRE

BARRIE.

(9th Canadian.)

The past week the devil has been raging but Jesus gives us the victory. Our Soldiers are coming up to the true standard.

Friday nights Holiness meeting twenty came out to have the roots of inbred sin destroyed from their hearts. God manifested His cleansing power.

Sunday morning 7 a.m. Breakfast with the King, 10 a.m. bombardment of the forts of darkness. Inside at 11 indiscribable Holiness meeting. 30 more laid their idols on the altar, the fire descending and consuming the offering. We

FASTED AND PRAYED

instead of going home to dinner pleading with God to save the people. A march round the town at 2.30. Firing volleys for the

SCOTT ACT.

The devil raged but at the close of the afternoon meeting souls fell into the fountain.

At the night meeting every one spoke of Heaven and its joys and hell and its torments. Deep conviction. At the close I laid down their arms of rebellion to serve the King making 15 for the week. To God be all the glory. We mean to win.

Capt. SIDNEY

STROUD.

(34th Canadian.)

This week has been one of victory. Roll call well attended. God did indeed bless our souls. The Corps is going up, Hallelujah!

On Tuesday we had a Jubilee, Capt. Glover, Headquarters Staff, Capt. Sidney Barrie, and a host of others to the front. Although the weather was against us we had a grand march and undisciplined meeting inside. Soldiers all on fire, over determined to follow Jesus, and 8 fell under the power of God. Cadet Lucy farewelled for another part of the battle field. God bless her.

Sunday was a day of great power and blessing. The evening meeting was one of the most wonderful times ever witnessed. Two fell from their seats with the power of God. Sinners trembling, 3 fell at the feet of Jesus and got saved, closing one of the grandest days ever witnessed in Stroud. To God be the glory.

Capt. H. J. LEWIS and wife.

ORILLIA.

The Lord is still leading us on to victory. Bless His name though the devil tries to hinder, the grace of God is sufficient for us.

We are having some hard fighting here but glory to God victory is ours.

The Rev. D. Armstrong has been with us for two days. Special Holiness meetings. A real work has been done, over 30 souls have sought and found the blessing of purity. The interest is increasing and precious souls are being saved.

Jesus of Nazareth passed by this way last night. 6 fell under the power. Great excitement.

We close the week with 11 more prisoners. Hallelujah.

CLINTON.

The Salvation Army has marched into this pretty little town, determined to win, it for Jesus. Large crowds gathered round while we poured red hot gospel shot upon them. Crowded meetings all day, and many felt the need of a Saviour. One precious soul cried for mercy. We are believing for mighty victories, the devil's kingdom must fall. We mean Clinton for Jesus.

Opening Fire on Kincardine.

Big Crowds, Great Battle,
Many Wounded, One Killed,
Victory on the Lord's
side, Hallelujah!

We opened fire on this part of Satan's dominion, on Sept. 7th. As we took up our position on the Market Square, we were soon surrounded by big crowds of people, at whom we fired some gospel shots with telling effect. Big crowds at the meetings all day, night crowded out, God manifested His power wonderfully, conviction was plainly seen on many faces, as we spoke of God's claims to their love and service. One poor man came seeking pardon through the blood, and when he gave himself to God, and promised to love and serve Him, he received the assurance of pardon, and thanked God for leading him to the Army meeting, with tears of joy running down his face.

We are believing God is going to save many souls, and crown the labors with abundant success. Amen. Blood and fire is sure to win.

Capt. GLOVER,

BRUSSELS

(57th Canadian.)

Praise God for this past week. Saturday night deep conviction all over the hall, and four came out and left the devil's rank, and made a start to serve God, and so soon as they were willing to do as God wanted them, God did not cast them away, but he took them in, and freely pardoned all their sins. Sunday meetings grand all day, although not many yielded, but praise God two came out and was set free, and went home rejoicing, Glory Hallelujah. We are believing for a big smash in the devil's ranks here, and mean Brussels for God. Winding up the week with eight precious souls. To God we give all the glory.

One of our soldiers in testifying, said he had used three hundred pounds of tobacco, but praise the dear Lord he has taken the desire for tobacco all away from him, and many more testified

to the power of God, to cleanse from all sin. We close the day with two souls out for pardon. We feel real determined to go on fighting for God and for souls. Victory or death, is the motto of three happy lasses.

SONGS.

Original for the War Cry.

(LINDSAY.)

Living for Jesus.

Tune.—"Living beneath the shade of the Cross,"
"Neath the shade of the Cross" of the Crucified One,
Humbly I wait, Oh messenger come!
Eager I ask what next shall I do,
To spread this great Salvation.

Chorus.—Now I am kneeling low at Thy Cross,
Refine me as gold, and cast out the dross,
Then Thou can't use me in doing Thy will,
And spreading this great Salvation.

Working for Jesus, Holy delight,
Striving each moment to "walk in the light,"
Others to win, for Jesus my King,
That as Stars they may shine in His Kingdom.

Lovingly, tenderly, ask them to come,
Faithfully, constantly, warn them of doom,
Cheerfully suffer, if that will win some
To accept of this full Salvation.

Helping each other burdens to bear,
Remembering each other to Jesus in prayer,
Cheering the lonely, and pointing them on
To a home and crown in Heaven.

Oh who's like my Saviour, who's like my King,
Secure in His love, I joyfully sing:
My soul thrills with rapture, as onward I go,
Rejoicing in full Salvation.

The Blood Cleanses.

BY STAFF CAPT. WARR.)

Tune.—The half cannot be told.

The blood of Christ was shed for me,
On Calvary's rugged hill,
'Twas there he died to set me free,
To purge, to cleanse, and fill.

Chorus.—The Blood it cleanses now,
The Blood it cleanses now,
From every sin, I'm pure within,
The Blood it cleanses now.

From anger, pride, yea every sin,
That used to lurk within;
My heart is now so very clean,
And Jesus reigns within.

The love of God now fills my heart,
My actions move in love;
The treasure of my loving heart,
To Jesus from above.

This love it does my heart constrain,
And tells me now to tread;
The holy path without a stain,
By Jesus ever led.

My every thought, and every wish,
Spring from a heart of love,
I'll taste this joy and Heavenly bliss,
'Till I get up above.

Farewell Song

Tune.—Let her sleep neath the willow by the stream.

Oft I've told you people what the Lord,
In His mercy and love has done for me;
How He saved my soul from death and hell,
From the bondage of sin He set me free,
And I've told you what He'll do for you,
If you will but accept His offered grace;
Oh may God incline your hearts to-night,
To come and seek my Saviour's face.

Chorus.—Come without delay, come to
Jesus while you may,
Will you come to my Lord;
And be washed in the all atoning blood,
He will save, He will save,
If you come believing in His word.

Now I leave my all to follow Christ,
Wherever He may lead me I will go;
Leading precious souls to Jesus feet,
Shall be my work while here below.
But oh! How can I leave you in your sin,
Oh I will you not come to Jesus now;
I know He is waiting to receive,
If humbly before him you will bow.

Will you meet me in the better land,
Will you walk with me the golden street;
Will you join me in the song of praise,
As we cast our crowns at Jesus' feet.

BARRACKS WANTED!

We are still in want of more Barrack accommodation all over the Dominion, in every town and village.

Many of our Soldiers and friends could help us very much if they would keep a sharp look-out for buildings likely to suit, such as old churches, skating rinks, music halls, theatres, circuses, markets, or warehouses, and immediately on hearing of such premises to write at once, with any information which can be got to
